WARRANTY TERMS & CONDITIONS

New transmissions and differential are sold with a 12-month or 60 000km warranty (which ever comes first), from the date of purchase. The gearbox is sold on an exchange basis for equivalent model. All cores to be returned within 14 days.

Core charges will not be refunded if exchange unit is not sent, and or core has arrived defective or with damaged core housings.

All repaired gearbox warranty's are 100 days from date of repair.

Warranty is only valid upon correct application, installation, and maintenance and adhering to the following conditions:

Correct oil is used as per manufacturers specifications.

All drive shaft joints to be checked, repaired and balanced.

All axle housings, oil coolers, hoses, and PTO's are cleaned.

Countershaft brake is inspected and serviced as required.

PTO's, bellhousings, output yokes, speedo parts, aux section bearing pre-loads are installed/adjusted as per manufacturer guidelines.

Input shaft number/length is checked.

Rear seals must be replaced if swapping speedo housings over.

ATT (Auckland Truck Transmissions) are not obliged to pay costs incurred due to incorrect installation, maintenance, misuse or failure caused by parts not supplied with unit.
